The 6441 TFW selected the pilots for the squadron that became the 34 TFS to deploy to Korat. Most would come from the 36 TFS; consequently, the 36 TFS was slated to disband.

Bob Pielin from the 36 TFS, who had already flown 87 combat missions during temporary duty tours to Korat and Takhli, remembered how he helped select the pilots for the new squadron. "Fitz [Maj Richard P. Fitzgerald, the squadron's Operations Officer] and I initially made out a list of 25 pilots from the Wing resources to go as 34th members. The list was bounced back from HHQ as being too overloaded in pilots with over 50 missions. They recommended 6 guys in the 0 to 20 mission category, 6 in the 21 to 40, 6 in the 41 to 60, 6 in the 61 to 80, and anyone with over 80 to go TDY."

This distribution was to spread out their eventual departures from Korat as each pilot completed his 100-mission tour. Capt Pielin and Maj Fitzgerald reworked the list "... with some pronounced disapproval from those that were removed from the [original]. ... A 1.5 aircrew/aircraft ratio was authorized for 27 pilots plus Commander and Operations Officer. ... Bob Jones [Capt Robert H. Jones] was removed from the first list since he had his papers in to be discharged. When he found out about the 34th going PCS to Korat, he volunteered to go with [them] and get 100 missions before he got out. Red Dog [Lt Col Howard F. 'Red Dog' Hendricks the squadron commander] worked a 'deal', and he went TDY." (Bob Pielin e-mails, 23 Sep 2006 and 7 April 2007.)

The following list contains the positions and names of the initial twenty-nine pilots assigned to the 34 TFS. This is the revised list after Capt Pielin and Maj Fitzgerald reworked their original to provide a broader base of experience. One of the pilots, Gordon Walcott, annotated his copy of the printed list, dated 18 April 1966, with this comment: "This was the original 34th TFS crew roster when formed as an all-volunteer squadron from the 35 TFS, 36 TFS, and 80 TFS (Yokota AB, Japan)"
